

Quick & Easy

Self-dosing chemical
sprayhead system

Safe, green, practical & powerful

About Quick & Easy

Designed to solve the constant challenge of chemical overuse, Quick & Easy combines an innovative sprayhead system with six interchangeable chemical cartridges to make cleaning faster, safer and more sustainable.

Clean over 1000m² per cartridge

1. Quick & Easy Belt

Easily carry cartridges across facilities

2. Lock & Key System

For quick, easy and secure product exchange

3. Interchangeable Chemical Cartridges

No need for multiple sprays

4. Ergonomic Trigger

Specially designed to prevent breakages

5. Integrated Dosing System

Automatically doses chemicals with every spray

6. Foam Sprayhead

CLP free in application; no chemical lost as misted liquid

7. Refillable Water Cartridge

Eliminating central dosing

How To Use:

No set-up time required, simply plug and play!

1
Fill water
cartridge

2
Insert your
chosen cartridge

3
Spray
and go!

To change chemicals: Remove the cartridge, press the trigger 2-3 times to clear the head and attach the next.

About Cradle to Cradle GOLD™

Part of our Greencare® range, Quick & Easy represents a new standard of environmental sustainability: Cradle to Cradle GOLD™. Seeking to not just reduce but remove harmful elements from cleaning formulations, this accreditation is only given to products that are 100% sustainable throughout the whole product lifecycle – creating systems that are not only efficient, but essentially waste-free.

- All formulas Cradle to Cradle GOLD Certified™.
- All ingredients safe for people and nature.
- All ingredients from plant origin with proven high biodegradability.
- 100% renewable energy in production.

Cradle to Cradle™ is a certification mark licensed by the Cradle to Cradle Products Innovation Institute.

Track your plastic, CO² and crude oil savings with our greensavings® calculator.
